[Jeep](#) makes a stroller wagon, believe it or not! Designed with all the conveniences of a double stroller and the rugged durability of a wagon, it's a crossover that makes any outing fun for kids of varying ages. Attach your current infant car seat with the included adapter for babies or use the two seats with five-point safety harnesses to securely transport older children. The wagon comes with a UV blocking canopy, multiple storage pockets, a removable cooler bag, parent organizer, and cup holder. It's a great off-road capable option thanks to all-terrain puncture-proof airless tires that are easy to maneuver and swivel in the front. You can also push or pull the wagon with the two adjustable leatherette handlebars. [Jeep Deluxe Wrangler Stroller Wagon with Cooler Bag, \\$399.99 at Walmart](#)
