Delta Children LX Side-by-Side Stroller

AMAZON

Buy on Amazon | ~~\$110~~ \$75

Among the best discounts you'll find on a stroller right now is this Delta model, recommended for kids up to 35 pounds and designed with a five-point safety harness. [One parent](#) who gave this stroller a five-star review on Amazon says it's "better built than any other umbrella stroller" and that it fits great in store aisles when shopping, is easy to load and unload into the car, and is comfortable to push.
