Go for a classic look with this wooden bassinet that's designed to fit in the narrow space at your bedside and cleverly has a bottom shelf for storing essentials. The sturdy frame is made of sustainable New Zealand pine wood with breathable mesh on the sides for airflow, and it comes with a mattress and fitted sheet. This bassinet is available in two colors.

Go for a classic look with this [wooden bassinet](#) that's designed to fit in the narrow space at your bedside and cleverly has a bottom shelf for storing essentials. The sturdy frame is made of sustainable New Zealand pine wood with breathable mesh on the sides for airflow, and it comes with a mattress and fitted sheet. This bassinet is available in two colors.

Helpful Review: "I love this bassinet! Mainly because of the look. I have a very beach home and had a hard time finding a bassinet that not only is safe, easy to put together, but also compliments the theme of our home and bedroom! I don't have to sacrifice my aesthetic for chunky baby gear with bright colors or bulky furniture. It gets the job done and is small and fits virtually anywhere ! 10/10 recommend !"

Dimensions: 33 x 20.5 x 32 inches (L x W x H) | **Foldable:** No | **Maximum Weight:** 30 Pounds
