The changing table on this pack 'n play is sturdy, removable, and waterproof — ideal for all those squirmy, messy diaper changes. And with a hanging storage bag, your diapers and wipes will always be handy. Once baby is changed, simply remove the pack n' play changing table feature and pop baby into either the included bassinet or the main playard. For its under-\$100 price tag, this is a real workhorse.

Helpful Review: “Besides the fact that this is super easy to assemble, I have used this EVERY SINGLE DAY since the day my daughter has been born – that means for 5 months straight I have used this product to change my baby's diapers, to nap her in, you name it. It is a staple staple for this mama of 3.”
