Parents can't get enough of this go-anywhere wagon for kids—just look at more than a thousand five-star ratings on Amazon. It holds 55 pounds per seat and accommodates popular **infant car seats**, so it serves as a baby wagon as well as a toddler and kids' vehicle. A removable UV-blocking canopy (with an accompanying storage pocket), roll-down shades (for additional sun protection and privacy) and a diaper-slash-bottle organizer are all included. The wagon can be pushed or pulled over on-and-off-road terrain, and you'll also appreciate the easy-turn wheels, adjustable handlebars and one-touch parking brake. And compact foldability is a given. Did we mention the five-point safety harnesses for older kids? This hybrid product truly has it all, and at a relatively affordable price point to boot, making it the best wagon stroller on the market

**Dimensions (Folded):** 38" (L) x 29" (W) x 25" (H) | **Weight:** 46.2 lbs. |

**Weight capacity:** 110 pounds | **Age recommendation:** 0+ years with adapter; 6 months + in stroller mode

#### **What We Love**

- All-terrain puncture-proof airless tires
- Includes cooler (holds up to 16 cans)
- Car seat adapter is compatible with a selection of Graco, Evenflo, Britax and Chicco models

#### **Things To Consider**

- Attachments add a lot of width to the stroller, making it hard to fit through doorways, some parents say
