Delta Children Abby Convertible Crib and Changer

A game changer, literally. This quality, Delta convertible crib comes with a super convenient changing station, including a changing pad with a safety strap attached, plus plenty of storage space for stashing diapers, wipes, burp cloths and all the baby essentials—all within arm's reach.

Parents will love that it's built for the long run too, turning into a toddler bed, daybed and even a full-size bed that feels timeless and doesn't look childish whatsoever. It's one of the most practical cribs for babies and a cinch to assemble.

Pros

- Non-toxic and sustainably made
- Daybed rail included
- Three adjustable mattress height positions
- Comes with built-in changing stations and changing pad
- Offers plenty of storage space for baby essentials
- Converts to a toddler bed, daybed and full-size bed

Cons

- Toddler guardrail and full-size bed frame not included

Best trendy

Delta Children Sloane 4-in-1 Acrylic Convertible Crib

A clear winner. Acrylic cribs are all the rage right now—seriously, they’re everywhere—and bonus: you can easily view your little one right through the rails. The [Sloane 4-in-1 Acrylic Convertible Crib](#) gets the parent seal of approval, thanks to its good looks, ease of assembly and ability to grow with your kid from baby to preschooler.

Unlike many of the best baby cribs, Sloane comes with the conversion rail included (major!) and turns into a mini sofa too so you get lots of life out of her. You can purchase a matching dresser to complete the nursery and rest easy knowing the crib is finished with non-toxic paint that’s lead and phthalate safe—perfect for when your babe gets teeth and inevitably starts gnawing on the crib railings.

Pros

- GREENGUARD Gold Certified
- Three adjustable mattress height positions
- Conversion rail included
- On-trend design
- Sustainably made with high-quality pine wood and acrylic
- Turns into a toddler bed, daybed and sofa

Cons

- Limited color options, but the ones that exist are neutral enough to go with everything
