

Cozy Up to Delta Children's CoComelon Furniture for Kids

CoComelon is a favorite among toddlers who love watching JJ and his friends learn through relatable situations and catchy songs. As your babies grow older, they may need some new [furniture](#) as well, and [Delta Children](#) has a CoComelon collection at Buy Buy Baby.

The CoComelon Upholstered Kids Chair has blue sides and a green seat and back with the CoComelon logo on it. The chair features a sturdy wooden frame, a padded seat, and plush upholstery decorated with colorful graphics. The chair itself weighs 8 pounds and is designed for kids ages 18 months and up with a 100-pound weight capacity. [It's available at Buy Buy Baby for \\$79.99 here.](#)

This chair converts from sitting to lounging positions. | Source: Delta Children

The Delta Children CoComelon Cozee Flip-Out Kids Lounge Chair easily converts between sitting and lounging/sleeping positions. The blue chair has a foam construction, stain-resistant fabric, and a convenient side pocket. The removable cover is also machine washable. The chair itself weighs 3 pounds and is recommended for kids ages 18 months and up with a 60-pound weight capacity. [Get it at Buy Buy Baby for \\$74.99 here.](#)

Inspire sweet dreams with a CoComelon bed. | Source: Delta Children

The Delta Children CoComelon Plastic Convertible Toddler Bed is a convertible toddler bed that transforms into a big-kid bed with a low mattress height design and side guard rails for safety. It features a sturdy steel frame, colorful decals of JJ and his *CoComelon* friends, and is compatible with a standard crib mattress (sold separately). The bed is recommended for kids ages 15 months and up, with a maximum weight capacity of 50 pounds. [Find it at Buy Buy Baby for \\$79.99 here.](#)

Give your kids a comfy place to relax as they kick back with *CoComelon*.
