

35 Best Gifts for 1-Year-Olds That Will Have Them Clapping With Joy

Sometimes it's tough to know what gifts for one-year-olds will be well received—even if it's your own kid. After all, this is the age when they think the box is sometimes even more exciting than the gift! But don't worry: We've curated an incredible selection to suit every one-year-old from the ones who want to cuddle up with a stuffed animal to the ones who are toddling around at a million miles an hour. Whether it's a birthday or holiday or "just because," we've got great gift ideas for the kiddo on your list.
