#### Have fun playing Pokémon Showdown.

### How to Play Pokemon Showdown

This is an important topic to discuss. Before downloading the game one must know how to play Pokémon Showdown. All the nerd gamers can skip this section and go directly to download the app section.

- If you face some glitches, click on the green flag that will refresh the server.
- You have to pick a team to play: Primordial past or Desolate Future
- In the Main Menu: you got to choose between the Shop or Ladder or Start.
- In the shop, you will get to buy rare and common items which will make your experience more profound and you can enjoy the game. The price of an item is all about the scarcity and the coolness of it.
- At the Ladder, i.e. the Leader Board will show the two teams on a leaderboard where the XP bar will decide the rank. At the beginning both the teams start from 100 XP which increases as they play.
- In Pokémon Showdown, there are 6 Game modes or tiers. There are preferences set as an algorithm which decides your tier if you choose to play a random match.
- Your opponent is basically an AI and you have to fight against it and win XP to win the game.
- To save your progress in Pokémon Showdown, you just have to click on save. This will generate a code. Make sure to copy and paste that code in somewhere safe like on a notepad.
- When you wish to load your game, re-copy the code and paste it in the address bar of the game and all the progress will be brought back.
- After each game in Pokémon Showdown make sure to re-generate the code as the codes are unique for each player.

Enjoy having fun with Pokémon Showdown and comment down below which team did you pick.

### How to Download Pokemon Showdown
