ICONIC TRAINING PANTS
BESPOKE

ICONIC TRAINING PANTS

Available in sizes:
SB, MB, LB, Y, S, M, L, XL, 2XL,
3XL, 4XL, 5XL, 6XL, 7XL

The Iconic Training Pant is made from 100% polyester showerproof fabric on the outside, and a heavy-weight soft-mesh lining on the inside. This means that this garment has great airing capabilities – it ventilates your sweating body and prevents your skin sticking to the trouser legs. These training pants also have a three-quarter leg zip, making them easy to take off over your boots and two zipped pockets for your added convenience. Ideal for warming up, training, travelling or waiting to join the game on the pitch.

- Shower-proof training pant
- Heavyweight soft-mesh lining
- Elasticated waist with drawcord
- Two zipped pockets
- Open leg-hem with draw-cord adjustment
- ¾ length side leg zip

Cant find socks in our stock range that you fancy?
 We also offer a bespoke service. We can add team names and alter designs to suit your kit.
 We advise that you liase with our sales team regarding bespoke socks as this option may extend your turnaround time.

MINIMUM ORDER OF 50 REQUIRED

Available in sizes: Small (Shoe Sizes 1 - 3), Medium (Shoe Sizes 4 - 7), Large (Shoe Sizes 7 - 11)

AVAILABLE COLOURS

Our Sock range are designed for comfort, breathability and performance. They feature an elasticated fold-over top so they can be worn either above or below the knee, as required. This panel also helps to keep shin-pads in place, while another at the ankle helps the sock to hold its shape. A third panel across the top protects the small bones in the foot, by helping the foot to keep its shape.

Our socks are naturally wicking, but we've also included cool mesh panels on top of the sock (to line up with the ventilation panels in sports boots). The socks also feature a flat-seamed toe, to avoid a bulky seam that will irritate, just where you don't want it to.

EMBROIDERY AND PRINTING

ARTWORK INFORMATION -

For Olorun to produce high quality decoration we need logo's for print, heatseal, sublimation and Embroidery to be provided in the following formats.

A VECTORISED FILE -

Adobe Illustrator (ai.) or Encapsulated Post Script (eps.) format files have no loss of quality when manipulated in size. Therefore these are the preferred formats to produce the best output.

HIGH RESOLUTION PDF -

Only Adobe Illustrator PDF's are acceptable for all decoration.

HIGH RESOLUTION JPEG -

In order that your, or your sponsor's logo is produced perfectly we must use vectorised artwork. If JPEG is the only format that can be supplied to us we will have to regenerate artwork in a vector format. To do this we charge.

EMBROIDERY

To Embroider your garments we need to have a digitised DST file of your design. Embroidery Setup is available. Contact us for prices.

Club logo's (normally applied to the left breast) and small sponsor logo's are ideal for Embroidery. Almost any type of garment (including Caps) can be embroidered. If you wish to embroider individual names, company names on square numbers in block type, this is called monogramming. A nominal charge is made for this service.

An existing DST file may also be amended (eg. to show a new tour date or to change 1st XV to 1st XI) - we may need to change in these cases.

PRINTING

We offer a printing service, prices vary depending on size and colour.

Above left is a JPEG, showing poor quality of a low resolution image. The above right is a Vectorised image making it perfect for reproduction.
