

## Welcome to DogTalk!

Congratulations on purchasing your set of recordable training buzzers and we can't wait for you and your dog to build a closer relationship and for you to gain a better understanding of your pets daily wants and needs.

Your DogTalk training journey means everything to us and providing you great training support and customer service is at the forefront of our business.

We would love to hear from you if you have any training questions and very importantly if you have any technical issues.

We would be incredibly grateful that if you come across any problems at all you contact us directly at [support@dogtalktrainingaids.co.uk](mailto:support@dogtalktrainingaids.co.uk) and allow us to correct your issue straight away.

We also run a monthly competition for 'best video' with the winner receiving a DogTalk hamper worth £100.

So if you manage to catch a great video of your pooch, make sure to send it into our Facebook & Instagram account [@dogtalkuk](#) or to the email address above, we would love to see how you are getting on!

Happy training and giving your dog a voice!

## RECORDABLE TRAINING BUZZER INSTRUCTIONS

**REC / OFF / PLAY**  
Switch to control buzzer operations

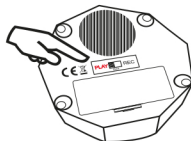

1) Set the REC / OFF / PLAY switch to REC

2) Press and hold the Dog Talk button

- When you hear a single "beep", record your chosen message of 10 seconds or less.
- When you are done, release the button. A double "beep" signifies a successful recording.
- For best results, keep the audio source about 20cm from the mic.

3) Set the REC / OFF / PLAY switch to PLAY

4) Press the Dog Talk button to play message

- If you press the Dog Talk button mid-message it will play the message from the beginning again.
- To re-record your message, repeat Step 1.
- Please note that doing this will delete your current message.

5) Set the REC / OFF / PLAY switch to OFF when you don't use it.
