Download the latest versions of the best Mac apps at safe and trusted MacUpdate.

Watch, record, edit, and enjoy TV on a Mac with EyeTV U6. Superbly engineered and versatile, EyeTV U6 delivers free-to-view digital television to your Mac via aerial ATSC/ Clear QAM.

Despite its small size, EyeTV U6 contains a full-size and built-in coaxial plug to connect an aerial. Simply connect EyeTV U6 to your TV aerial to receive the great variety of free-to-view TV programs that are broadcast over-the-air.

EyeTV U6 records digital HD TV in one quality setting, lossless. The digital stream is recorded unaltered for full quality digital content as encoded by the broadcaster. EyeTV U6 also supports Dolby® Digital sound.

The included EyeTV 3 Software by Geniatech will turn your Mac into the coolest TV and DVR in the house. This award-winning software enables you to:

- Watch, pause, and rewind live TV on your Mac
- Set up schedules to record your favorite TV programs
- Edit out unwanted content
- Share recordings with other Macs on the same network

EyeTV 3 software offers special features for Mac users, including Smart Series Guides, Smart Playlists, automatic exports to iTunes, and support for the EyeTV for iPhone app.

With EyeTV Version 3.6.9 in combination with the EyeTV U6 you can now receive digital ATSC/ Clear QAM television using an aerial. With the television app for Mac OSX, you are ready to receive MPEG-4-based ATSC/ Clear QAM programs (USA & Canada).

System Requirements
- Mac: OS X 10.6.8 or later

Internet connection required to download EyeTV 3.

Important Note

- Encrypted programs are not supported.
- The availability and amount of program information varies depending on the channel.
- Digital terrestrial television is also known as ATSC/ Clear QAM. ATSC/ Clear QAM reception can vary by location, and a rooftop aerial may be required in areas with a weak or obstructed ATSC/ Clear QAM signal.

Technical Specifications
- Standard: ATSC/ Clear QAM
- 75 Ohm Digital TV Antenna input
- Receive Frequency: TV54~862 MHz
- ATSC compliant 8-VSB
- Open Cable, ANSI/SCTE DVS-031, ITU-T J.83 Annex B
- DOCSIS compliant 64/256 QAM
- Dimensions: 78 × 29 x 15 mm
- Weight: 16g

ATSC/ Clear QAM

*With the EyeTV U6, you can receive ATSC/ Clear QAM. EyeTV U6 receives MPEG-4-based ATSC/ Clear QAM programs broadcast on an international basis, including in USA and Canada.
