Ro Distribution 2000 SRL  
Str Depozitelor,  
Nr 17 (medical device approved warehouse)  
Pitesti 110138 Romania

**TAFFIX – EXTENSION OF SHELF LIFE**

Stability testing of Taffix has led us to determine a 3 years shelf life for Taffix products which are stored according to the device defined specifications.

Based on these stability results along with your confirmation of the storage conditions applicable to the devices, please see below the revised expiration date of the batches supplied to you.

Please be reminded to update the regulatory authority on this shelf life extension, if required by your regulation.

#	Batch No.	No. of units	Revised Expiration Date
1	2102744K	2,513	02-2024
2	2102745K	13,230	02-2024
3	2102746K	6,770	02-2024
4	2102797K	20,000	03-2024
5	2102843K	4,452	03-2024
6	2102846K	548	03-2024
7	2102847K	12,128	03-2024
8	2102877K	19,350	03-2024
9	2102884K	18,522	04-2024
10	DM210043	10,500	09-2024
