ZYAX BORIC ACID POWDER

Zyax Boric Acid Powder (H_3BO_3) is a naturally occurring, 100% pure white powder used for numerous domestic, medical, and industrial purposes. There are no contaminants, as it is non-toxic, and safe for storage & use across households. It can be used to remove various stains, and odours from fabrics, to prevent fungus, and in many other ways. Zyax Boric Acid Powder can also be used to treat boron deficiency in gardening plants and protect wooden surfaces from damage.

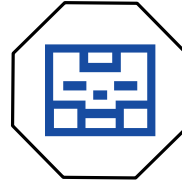

USE FOR:

Carrom

Pest Control

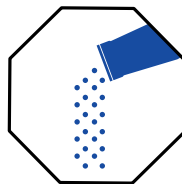

Cleaning

Stain & Odor Remover

HOW TO USE:

Directly apply to the chosen/affected areas.

For certain usages, mixing with sugar to form a dough is required before applying it to the chosen area.

ZYAX ISOPROPYL ALCOHOL 99.9%

Zyax Isopropyl Alcohol (IPA) is a versatile formula that works well as a cleaning agent. It works well on all surfaces as a cleanser, degreaser, and spot remover. Makeup brushes, electronics, chipsets, CPU/GPU, devices, and even larger surfaces like your kitchen countertop or bathroom floor may all be cleaned and sanitised with it. Before putting dirty clothes in the washer, isopropyl alcohol works wonders at getting rid of tough stains. It also works well on glass surfaces to degrease and add shine.

USE FOR:

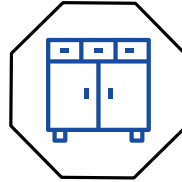

Bathroom

Toilet

Electronic Gadgets

Furnitures

Makeup brushes

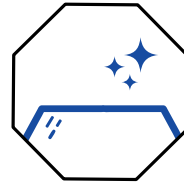

HOW TO USE:

Shake well and apply directly on the surface.

Thoroughly clean the surface with a microfiber cloth or non-woven tissue.

Post application, ensure the surface is completely dry.

ZYAX BORAX POWDER

Zyax Borax Powder is a multipurpose cleaning product that can be applied to a number of home cleaning projects. It is a naturally occurring mineral that is safe to use as a cleaning instead of harsh chemicals. Borax powder can be used as a booster for laundry to help make garments cleaner and brighter, as well as to clear difficult stains and get rid of odours. It is safe for kids and pets because it doesn't contain any pollutants.

USE FOR:

Laundry

Surface Cleaning

Insect Control

HOW TO USE:

Laundry:

Add a half cup of borax powder to your laundry detergent to clean and deodorize clothes.

All-purpose cleaner:

Mix 2 tablespoons of borax powder with 4 cups of hot water to clean various surfaces, including countertops, sinks, and more.

Insect control:

Mix borax powder with sugar and water, and place the mixture along ant-infected areas.

Rust remover:

Soak rusty items in a mixture of borax powder & lemon juice or vinegar to help remove rust and restore shine.

ZYAX CAUSTIC SODA

Zyax Caustic soda, often referred to as sodium hydroxide, is a potent and useful product that can be applied to a wide range of problems. It is frequently used as a drain and sink cleaning, as a foundational component in soap production, and as a chimney cleanser. Due to its high alkalinity, it is efficient at dissolving and dissolving grease, hair, and other organic material that can clog pipes and drains. In addition, it is used in the manufacture of paper, textiles, and other industrial products.

USE FOR:

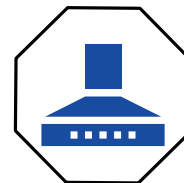

Sink

Drain Cleaning

Soap Making

Chimney Cleaning

HOW TO USE:

Drain Cleaning:

Add 3-4 spoons of Caustic Soda and pour in some hot boiling water.

Soap Making:

Mix the caustic soda with water and then add it to the oils slowly while stirring constantly.

ZYAX EPSOM SALT

Zyax's Epsom salt, also known as magnesium sulphate, is a multi-purpose mineral compound that has a wide range of uses. It is a popular plant growth enhancer that provides essential nutrients to plants, making them stronger and healthier. When added to a warm bath or foot soak, it can help soothe sore muscles and reduce inflammation. It can also be mixed with your favourite body wash to gently exfoliate dead skin cells, leaving your skin feeling soft and smooth. Additionally, Epsom salt is known to aid in detoxification and promote overall health and well-being.

USE FOR:

Bath

Foot Soak

Gardening

Beauty

HOW TO USE:

Bath:

Add two cups of Epsom salt to the water, stir it well and soak.

Foot Soak:

Add half a cup of Epsom salt to the water, stir it well and soak for at least 15-20 minutes.

Gardening:

Mix two tablespoons of Epsom salt in one gallon of water & use it for your plants every 4-6 weeks.

Beauty:

Mix a small amount of Epsom salt with a facial cleanser or use it as a gentle scrub on your face.

ZYAX DEIONIZED WATER

ZYAX Deionized Water is a top-notch distilled water that is completely free from impurities and minerals. Its high level of purity makes it ideal for a wide range of applications, including battery and inverter maintenance, autoclaving, reagent water, and scientific products. It is also a popular choice in laboratories for experiments and testing, as well as in medical settings for sterilizing equipment. With a zero TDS level and maximum purity, ZYAX Deionized Water is a reliable choice for any industry.

USE FOR:

Batteries & Inverters

Automotives

Medical Equipments

Cooling Systems
