

Clear Bag Kit Maintenance - CBGP2

Designed to allow you to respond to relatively small spills, this kit comes in a see-through bag with a colour coded ID label and a zip fastener. The kit is fitted with a security label with security slits which tear easily when tampered with so you know when it has been opened (pack of 10 – SKSS available separately)

External size	320mm L x 320mm W x 150mm H
Absorbs	Oils – Cutting fluid – Fuel – Water – Mild solvent
Capacity	18ltr
Contents	40 pads 30cm x 30cm 2 thick pads 30cm x 30cm 10 wipes 32cm x 40cm 1 pair gloves 2 disposal bags/ties

Supplied in a clear bag with zip fastener

Note: It is the user’s responsibility to check the compatibility of the gloves and goggles supplied in each kit against the liquid spilled prior to use.
