

Justrite® Oily Waste Can - 09100

20ltr foot operated

Comes with a 10 year manufacturer's warranty.

This galvanised steel oil-waste can has a perforated raised base which allows the air to circulate and reduces the risk of spontaneous combustion.

The lid, which opens to a 60 degree angle, automatically closes after use making it ideal for storing used cloths, paper wipes and so forth.

This model is FM and TÜV approved.
