

## Justrite® Bench Can - 10295Z

2ltr capacity

FM tested and approved this Justrite® bench can is ideal for soaking large swabs or small parts.

The hinged lid of this bench can helps to minimize evaporation, and the dasher, which acts as a flame arrestor, is sprung-loaded and perforated - simply press down to soak then release and it returns to drain position.

### SPECIFICATION

Capacity	2ltr
Size	238mmØ x H83mm
Dasher size	191mmØ
Colour	Red
Tare Weight	1.8kg
