

Justrite® Bench Can - 10375Z

4ltr capacity

FM tested and approved this Justrite® bench can is ideal for soaking large swabs or small parts.

The hinged lid of this can helps to minimize evaporation, and the dasher, which acts as a flame arrestor, is sprung-loaded and perforated - simply press down to soak then release and it returns to drain position.

SPECIFICATION	
Capacity	4ltr
Unit size	238mmØ x H114mm
Dasher size	191mmØ
Colour	Red
Tare Weight	2.3kg
