

Justrite® Type I Safety Can - 14160Z

4ltr capacity, for flammables.

Comes with a 10 year manufacturer's warranty.

FM tested and approved, this can has a self-closing lid, a dual density flame arrestor and an internal pressure relief mechanism.

This can is ideal when compatibility with steel is an issue as it is resistant to acids corrosives and heat.

SPECIFICATION

Capacity	4ltr
Fittings	Stainless steel
Size	L117 x W194 x H324mm
