

## Dispensing Tray for use with BB2 - BB2T

Backed by our 3 year guarantee

Rotationally moulded from polyethylene, this tray is designed for use with our IBC spill pallet BB2B. It allows the user to decant from the IBC without the worry of accidental spills spreading unchecked across the floor. The tray simply "clips" onto the BB2B and is designed in such a way that if it fills completely it will flow back into the main sump.

SPECIFICATION	
External size	530mm L x 520mm W x 530mm H
Sump Capacity	86ltr
Colour	Blue or Yellow
Tare weight	4kg

For Use With Spill Pallet BB2.
