

MS10 - Mouth Shield

The mouth shield is designed to stop the spread of germs. Suitable for restaurants, hotels, beauty, education, supermarkets and many workplaces.

Sits comfortably on the chin and is fitted behind the ears. Suitable for people who wear glasses. The plastic protective layer has an anti-fogging layer. The mouth shield is non-toxic and comfortable to wear. Easy breathing without condensation. Durable to use all year round.

Straps are adjustable to ensure a comfortable fit. Reusable and easy to clean.

Please note: These are not intended for use in medical surroundings.
