

COSHH Storage Cabinet - PSC3

COSHH-compliant cabinet rotationally moulded in the UK while being backed by a 3-year guarantee. Each PSC3 is manufactured from polyethylene which has a wide range of chemical compatibility (check our compatibility guide for further information) allowing many types of chemicals to be suitably stored.

The cabinet is both lightweight & robust meaning it is well-equipped to endure environmental challenges including inside factories close to machinery. The PSC3 is ideal for storing 1 x 205ltr drum or small containers. The drum sits on a supplied removable grid above a 225ltr sump. The hinged door is fitted with a twin-lock.

If shelving is required, these can be ordered separately.

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.

SPECIFICATION

External size	920mm L x 720mm W x 1835mm H
Sump capacity	225ltr
Colour	Yellow
Tare weight	50kg
Base Pallet UDL	300kg
Pack Size	2
