

COSHH Storage Cabinet - PSC5

COSHH-compliant cabinet rotationally moulded in the UK while being backed by a 3-year guarantee. Each PSC5 is manufactured from polyethylene which has a wide range of chemical compatibility (check our compatibility guide for further information) allowing many types of chemicals to be suitably stored.

The cabinet is both large & robust meaning it is well-equipped to endure environmental challenges including inside factories close to machinery while storing many small - medium sized containers, tins, cans & absorbents.

The hinged door is fitted with a twin-lock while the cabinet comes supplied with one removable shelf & a removable grid to aid clean-up.

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.
