

Technical Data Sheet | FL-QFHC FloodFence™ | Heavy | Corner Unit

Corner unit component of FloodFence™ Heavy.

Product Characteristics

External Dimensions (WxDxH)	700 x 700 x 500mm
Unit Weight	Approx. 13kg
Materials	Galvanised steel

Product Features

- Efficient storage.
- Easy to assemble.
- Effective solution for flooding electric vehicles.
- Gasket sealing.
- Robust galvanised steel structure.
- Reusable.*

*Replace any components that have been compromised.
