

GPSK09 - 11ltr Maintenance Spill Kit

11ltr absorbency.

Spill kit designed to absorb up to 11 litres of maintenance clean-ups. This means the absorbents are suitable for oils, diesel, petrols, cutting fluids, coolants, mild solvents, turpentine, acetones and water. The kit contains highly absorbent pads & wipes alongside a mat, gloves & disposable bags. The carry bag allows for the easy transport of the kit to different locations to respond quickly to any spillages as quickly as possible.

Includes a zip top bag.
