

VTS1500 - 1500L Tank Shower

Suitable for all climates and fully compliant with ANSI Z358.1-2014 and EN15154 standards, this tank shower guarantees over 15 minutes of tepid water without the need of a mains water supply. The unit is completely corrosion resistant and suitable for hazardous or nonhazardous environments. Comes with water level indicator and testing lever as standard.

Key Features

- Over 15 minutes tepid water
- Photoluminous pictorial signs
- Manufactured in house, in the UK
- One-piece insulated GRP header tank

OPERATING CONDITIONS	
Water Supply Pressure	0.5 - 6 bar
Temperature	-25°C to +55°C (water chiller recommended for temperatures above 35°C)
TECHNICAL DETAILS	
Inlet Connection	1" BSPM (flanged options available)
Shower Drain Outlet Connection - if fitted	2" BSPF
Screened Overflow	40mm PVC-U
Shower Flow Rate	76lpm
Eyebath Flow Rate	Min 1.5lpm
Ball Float Valves for quick refill	2 x ¾" brass valves with 6" plastic floats
Shower Operation	Panic bar (GRP foot platform as option)
Eyebath Operation	Lift lid (stainless foot operation as option)
Signage	Self-adhesive photoluminous pictorial sign
Weight	350-400Kg
MATERIAL DETAILS	
Header Tank	1500L green insulated GRP (other colours available)
Header Tank Lid	White insulated GRP
Shower Frame	304 stainless steel as standard (316 as option)
Operating Valves	Stainless steel
Shower Rose	Yellow - ABS (stainless as options)
Panic Bar/Testing Lever	Stainless steel (powder coated red for high visibility)
Panelling - if fitted	Side & rear - green GRP
Shower Platform - if fitted	Yellow non-slip GRP
Overhead Sun Canopy - if fitted	White insulated GRP
Eyebath - if fitted	Yellow GRP + 2 low pressure nozzles
Eyebath Foot Treadle - if fitted	Stainless steel (powder coated red for high visibility)
Temperature Gauge - if fitted	Stainless steel - 150mm diameter
Water Heater - if fitted	2.4Kw (Non-hazardous)

VTS1500 - 1500L Tank Shower

Optional Extras

- Eyebath (fitted internal or external)
- Flexible face/body wash
- Water Heater
- Gritted GRP platform
- Side & Rear Panelling
- Drain Sump
- Eyebath Floor Treadle
