

AFTERCARE

Cally Builder Gel

TAKING CARE OF YOUR CALLY BUILDER GEL WILL MAKE YOUR NAILS LAST LONGER! HERE ARE SOME TIPS HOW TO DO THAT:

WEAR GLOVES

when doing domestic duties. e.g cleaning, washing up & gardening.

USE CUTICLE OIL

regularly to keep them nourished.

MAINTENANCE

to be taken out around 3 weeks.

TREAT NAILS LIKE JEWELS

not tools.

NEVER PICK

gel polish off this will cause damage. Contact your nail tech to remove properly or complete maintenance.

AVOID INTENSE HEAT

in the first 24 hours e.g sunbeds, hot baths.
