⚠ Safety Caution

BEFORE ASSEMBLY
● Layout all components and hardware. Check all parts are included and undamaged.
● Should anybody intends to install or use this mount, please read and understand this manual carefully.
● If you do not understand these instructions or have any doubt about the safety instructions, assembly or use of this product, please contact our customer service.
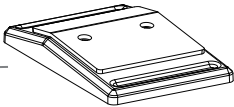

WARNING
● This product contains small items that could be a choking hazard if swallowed.
● KEEP AWAY FROM CHILDREN UNDER 3 YEARS OLD. ADULT SUPERVISION IS REQUIRED.
● Improper installation, such as using the product for speaker over its load capacity or for any purpose not explicitly specified, may cause damage or serious injury. We would not be liable for any damage or injury caused by inappropriate use.

CAUTION AND MAINTENANCE
● Never allow children to climb, stand, hang, or play on any part of speaker or stand.
● This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.
● Check that the stand is secure and safe to use at regular intervals (at least every three months).

| Philips Screw M6 x 8mm	Philips Screw M5 x 18mm	Philips Screw M6 x 16mm	D6 Metal Washer	D6 Plastic Washer	4mm Allen Key
A x4	**B** x4	**C** x8	**D** x8	**E** x8	**F** x1

Hardware for stand assembly

| Foot pad	Carpet nail
G x8	**H** x8

ASSEMBLY STEPS

STEP 1: Install the foot pads or carpet nails

Choose foot pads or carpet nails according to your floor type.

Option One: If the stand is placed on wooden, cement, tile or other hard floor,
install the foot pad **G** and adjust them to level if the base is not level .

Option Two: If the stand is placed on carpet, install the carpet nail **H** ,
and adjust them to level if the base is not level.

STEP 2: Install the bottom tube

Insert Bottom tube **3** into Base **2**, then fasten Bolt **C** by using Allen key **F**.

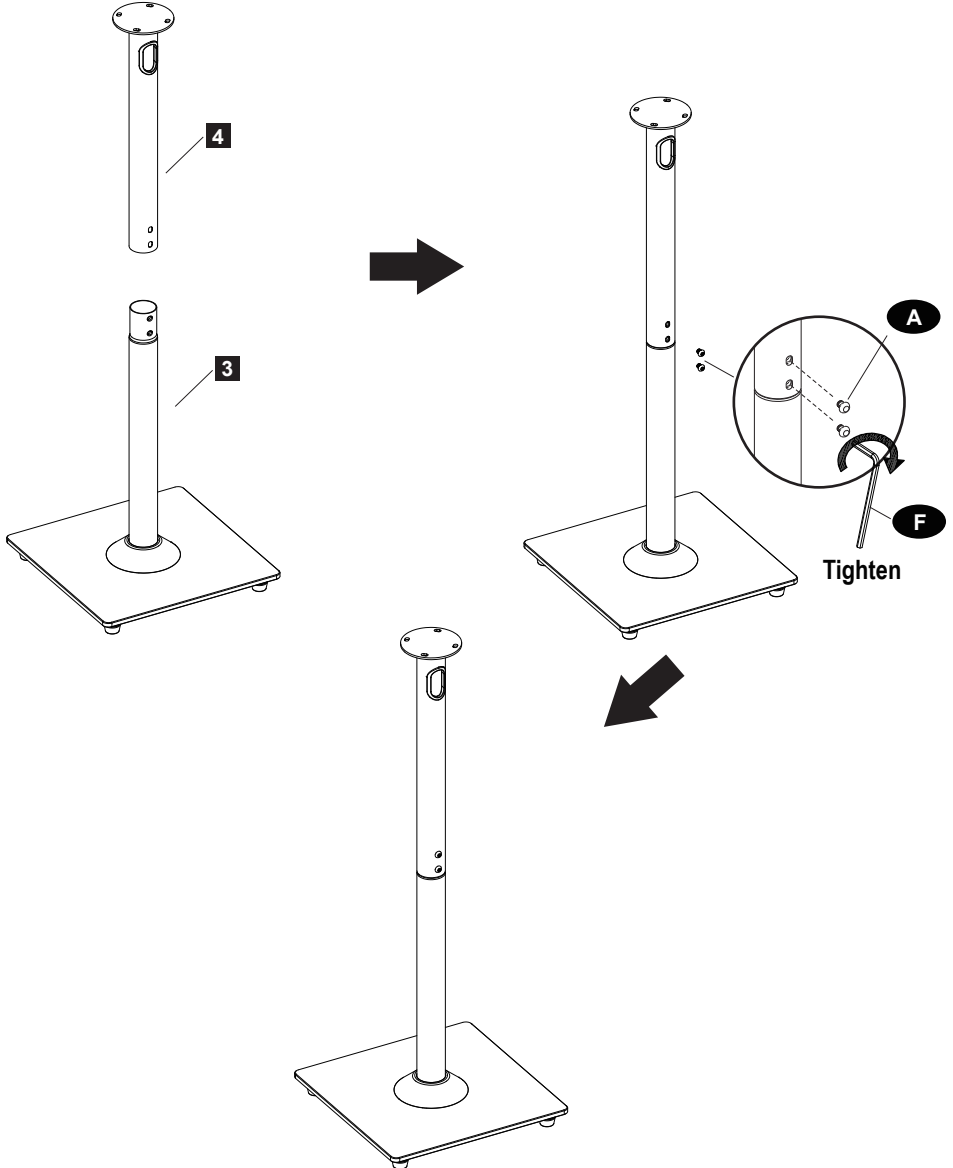

NOTE:D6 Plastic Washer must be placed next to the base to keep it from damage.
