# Queer Geekery

Hey there! We're Danny and Greg, the founders of Queer Geekery.

As a queer-owned Canadian small business, Queer Geekery has been fulfilling its mission of *bringing the 2SLGBTQI+ community together with fandom, love, and fun design* since 2021. Through the years we've seen more and more of our shirts on the streets, at Pride, at demonstrations and rallies, and we are proud that our continuing success has allowed Queer Geekery to donate over \$1,000 to 2SLGBTQI+ supporting non-profits in and around Toronto.

Beyond supplying our unique products to the world through our website, we have also collaborated with non-profits, charities, schools, artists, media companies, and corporations to meet their needs for inclusive messaging, design help, and swag or merchandizing options.

**That's why we're excited to share this bulk pricing catalogue with you for 2024.**

By choosing Queer Geekery to facilitate large orders for your organization, you also support a local, queer-owned business dedicated to the support of the Toronto, Canadian, and worldwide 2SLGBTQI+ community.

We look forward to connecting with you!

# BULK ORDERS?

- What is a bulk order?
  - Bulk orders are orders of **25 items or more**. For orders of fewer than 25 items, order directly from our selection on [queergeekery.ca](http://queergeekery.ca)!
- In the case of clothing, do all 25+ items need to be the same size?
  - No. As long as the 25+ clothing items are the same item type and have the same print on them, they can be different sizes. For example, if you were ordering 30 black t-shirts with the same custom logo printed in the same manner, the shirts could be any combination of sizes (small, medium, large, XL, etc.) and still count as a single bulk order.

## WHY ORDER IN BULK WITH QUEER GEEKERY?

- Much lower per-item pricing!
- More customization options!
- More methods of printing and branding to explore, including screen printing and embroidery!
- A far wider selection of products to choose from including tank tops, premium t-shirts, and water bottles!
- Discounts available for schools and non-profits!
