

Pillar[®] SC

Intrinsic[®] Brand Fungicide

Fast acting. Dual actives. One rate.

Introducing best-in-class turf science formulated for lawn care.

Pillar SC Intrinsic brand fungicide is a fast-acting, dual-active liquid formulation that delivers broad-spectrum control of up to 26 cool- and warm-season turf diseases, including brown patch, dollar spot, leaf spots and large patch on all turf types with one easy use rate.

Fast-Acting Formulation	Dual-Active Ingredients	One Easy Rate	Powered for Plant Health
 <p>Liquid formulation starts working quickly for disease knockdown.</p>	 <p>Powerful premix provides long lasting, broad-spectrum protection against the toughest turf diseases.</p>	 <p>Easy-to-use label takes the guesswork out of disease control with just one rate for all diseases.</p>	 <p>Plant health benefits for disease control and healthier turf even under stressful conditions</p>

Best-in-grass chemistry for healthier lawns

Pillar® SC Intrinsic® brand fungicide pairs the strength of two active ingredients in one powerful broad-spectrum solution for fast curative activity and long-lasting residual control for up to 28 days. In addition to offering excellent disease control, Pillar SC Intrinsic brand fungicide is EPA labeled to improve stress tolerance and growth efficiency to help you achieve beautiful, resilient, high-quality lawns for your customers.

100% formulated for lawns

- Premix of two powerful active ingredients controls the toughest lawn diseases including the dollar spot that some solo products leave behind
- Liquid formulation is easier to mix and load and stays in suspension without clogging or settling out
- Plus, with convenient packaging, you can treat one acre with one bottle or treat smaller areas with an easy-to-read measuring cup

Top diseases controlled

- Brown patch
- Dollar spot
- Large patch
- Leaf spot
- Gray leaf spot
- Take-all root rot of warm season turf
- Fairy ring
- Rust
- Snow mold
- Powdery mildew

(see label for list of all 26 diseases controlled with just one easy rate)
