

Tall Canopy Set Up Video Audio Description Transcript

1

00:00:00.000 --> 00:00:06.765

Woman sits near a lake in a folding chair beneath a canopy, Text, Lightspeed, Tall Canopy with Shade Wall.

2

00:00:06.900 --> 00:00:10.229

Woman unzips canopy's carry bag in a grassy area.

3

00:00:10.415 --> 00:00:18.859

Text, Your purchase comes with: Tall Canopy, Carry Bag, Shade Wall, Hub Cover, Sand Bags times 4, Stakes.

4

00:00:19.593 --> 00:00:27.842

She begins to assemble canopy, Sets bag and covers to the side, Stands canopy upright and unravels strap which holds together poles.

5

00:00:28.970 --> 00:00:35.076

Flattens four pieces outward and also lays flat the strap which connects the four pieces in a circular pattern.

6

00:00:36.075 --> 00:01:04.558

While she stands inside the strap circle, she pulls up the canopy from the center, Eventually she positions herself beneath the center and holds it over her head until all poles extend outward, She kneels down and sets the canopy's four corners on the grass, From inside, she pulls a center strap down and exposes a small circle at the very top, Covers the hole in the top with the hub cover, Then she extends each of the canopy's four poles to make it taller and pulls a latch down to fasten the pole's height in place.

7

00:01:05.717 --> 00:01:16.065

Two locations show the canopy in grass and in sand, In grass, a stake is driven through a loop and down, In sand, hands scoop sand into a bag which is secured to the canopy.

8

00:01:17.780 --> 00:01:24.982

The shade wall of the canopy is installed by first fastening the top center piece, then two sides, followed by two bottom loops.

9

00:01:25.036 --> 00:01:29.194

She places low folding chair inside assembled canopy and sits down.

10

00:01:31.003 --> 00:01:33.738

Two toy sailboats float in the water nearby.

11

00:01:34.686 --> 00:01:37.066

The woman begins to disassemble the canopy.

12

00:01:38.431 --> 00:01:55.027

From inside, she pulls down on a center rope, Then from the outside, she lowers each of the four poles, Once the canopy is low enough, she removes the hub cover, With the center piece in hand, she folds the canopy together by pressing her thumbs into two yellow pieces along the center bar.

13

00:01:57.362 --> 00:02:03.449

She brings each of the four side poles into the center and ties all the pieces together with the large circular strap.

14

00:02:10.448 --> 00:02:22.826

Lays the canopy flat on its side and rolls it up tightly, Secures it together with two straps before she places it into the carry bag which sits nearby, Zips up the bag, picks it up and throws the strap over her shoulder.

15

00:02:25.622 --> 00:02:29.325

Text and logo of a mountain shape inside a circle, Light speed.
