

House Shelf with Windows

T-type Key (for screws & spinners)

Screw

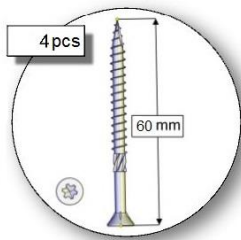

Spinner

Barrel nut

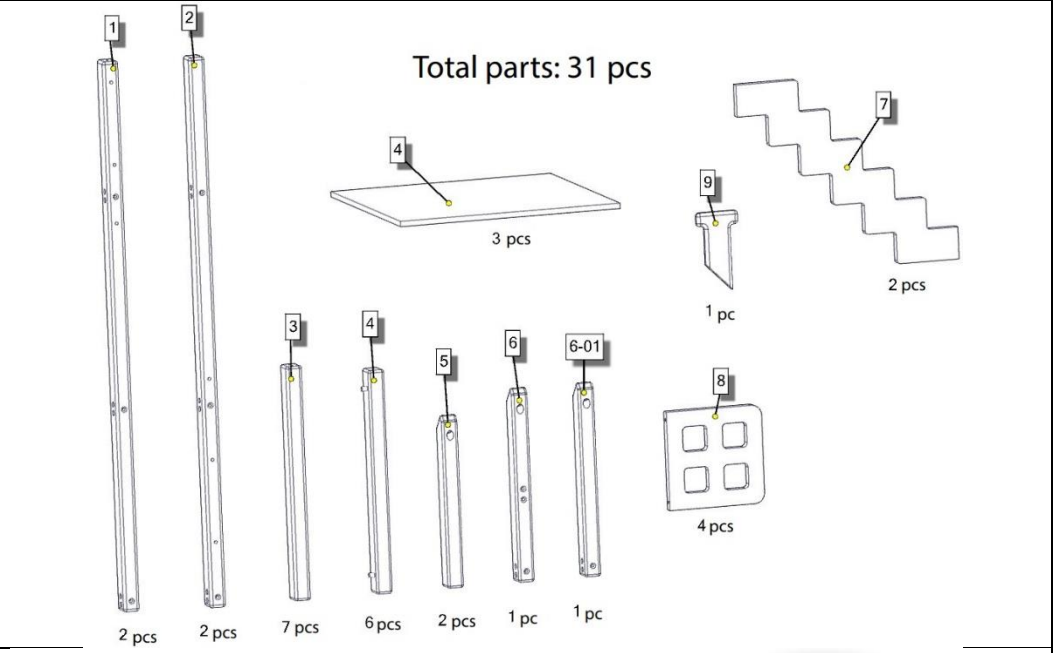

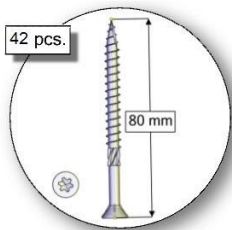

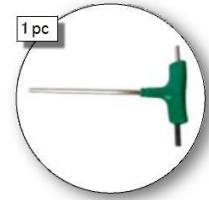

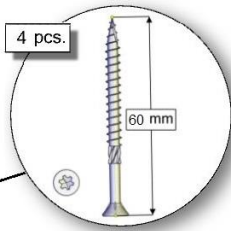

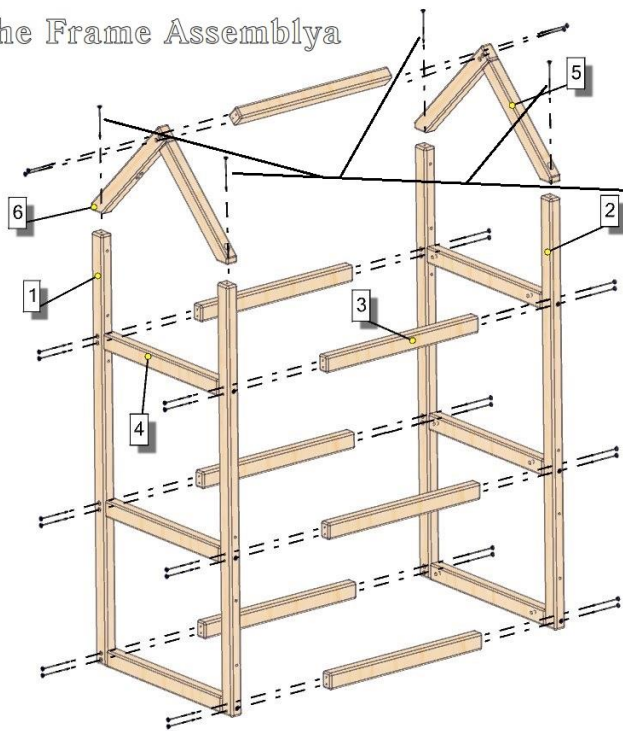

Flat screwdriver

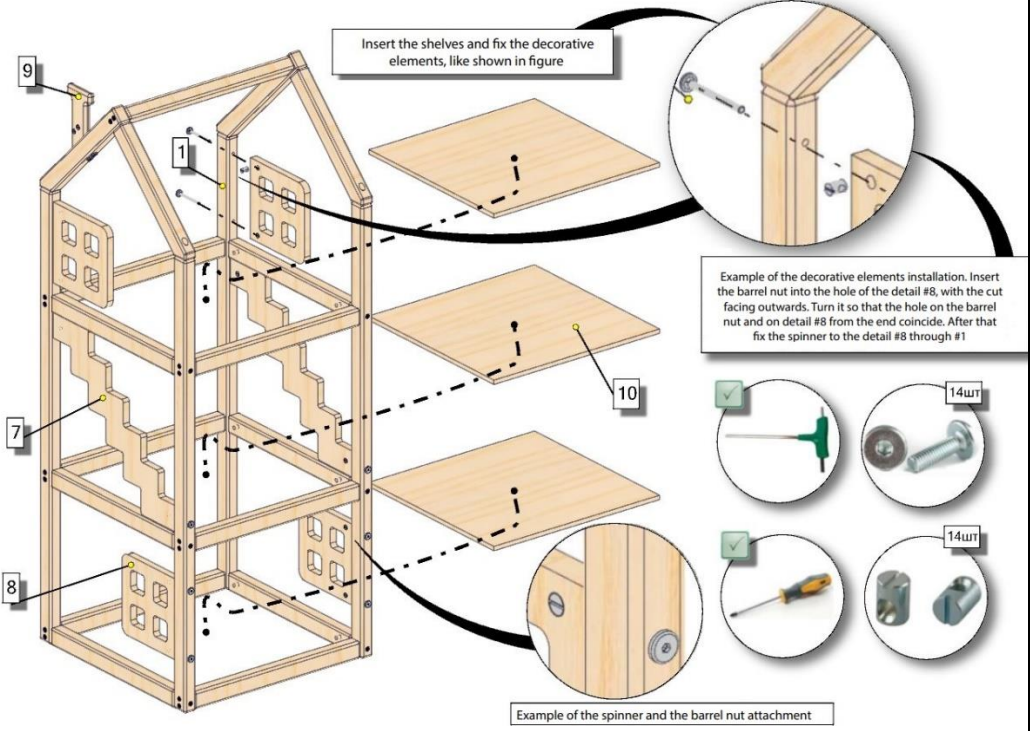

Screw

The Frame Assembly

Total parts: 31 pcs

Insert the shelves and fix the decorative elements, like shown in figure

Example of the decorative elements installation. Insert the barrel nut into the hole of the detail #8, with the cut facing outwards. Turn it so that the hole on the barrel nut and on detail #8 from the end coincide. After that fix the spinner to the detail #8 through #1

Example of the spinner and the barrel nut attachment
