

Model 22 75x54

Customer Service E-mail:  
support@busywood.com

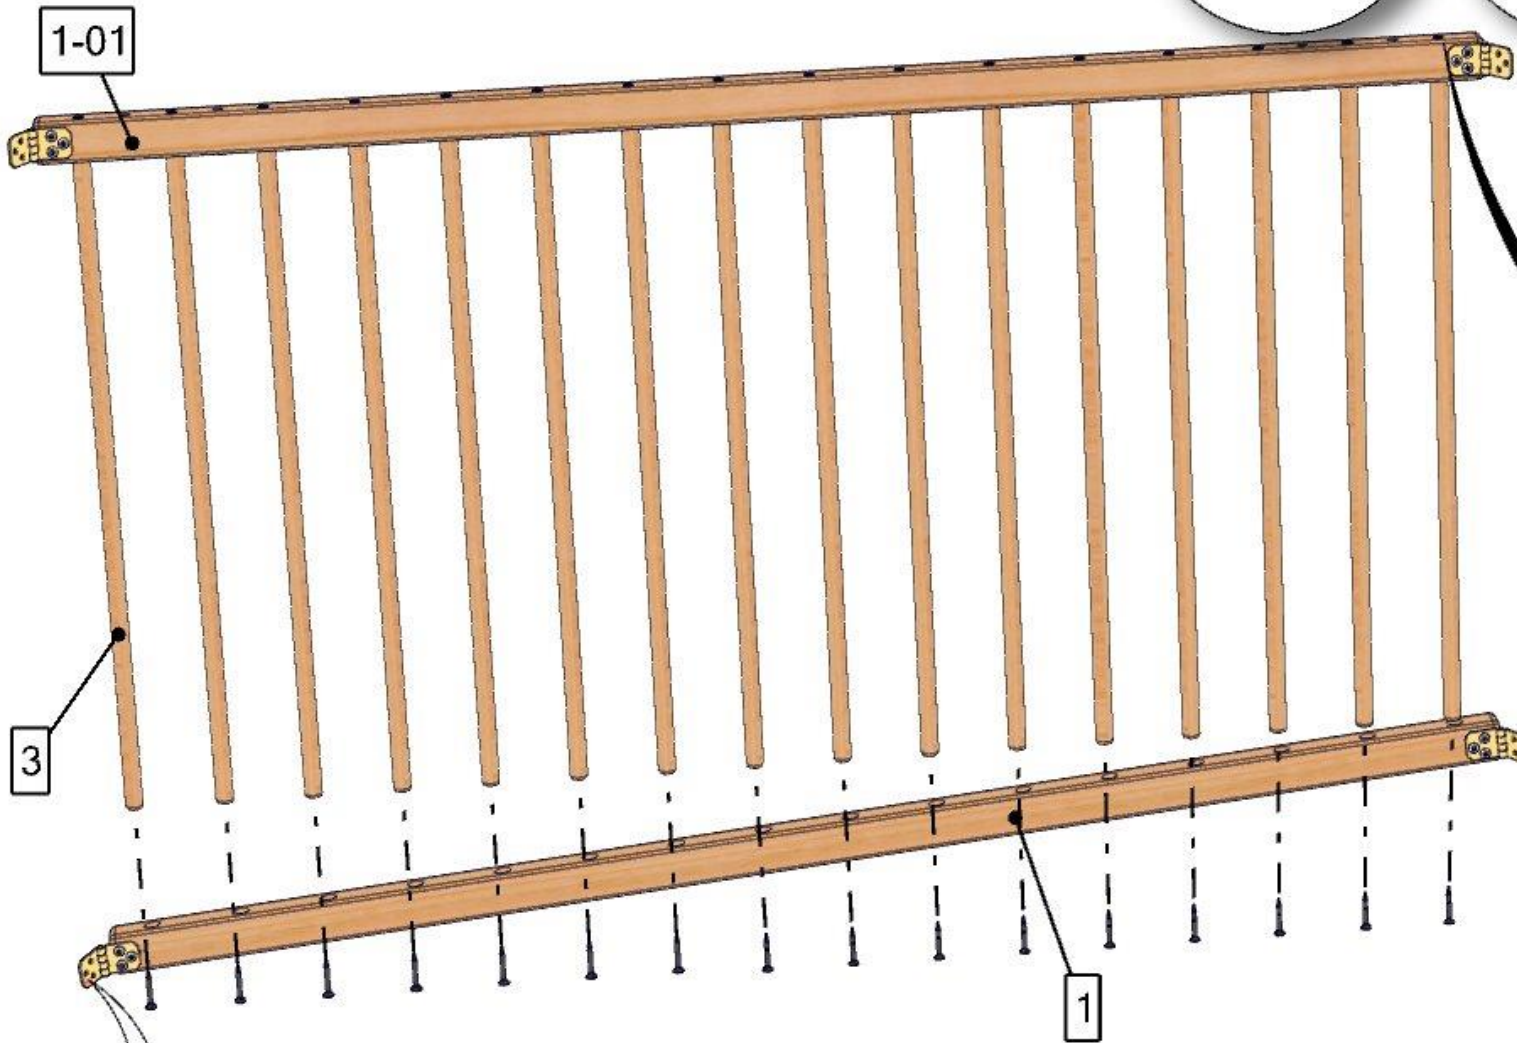

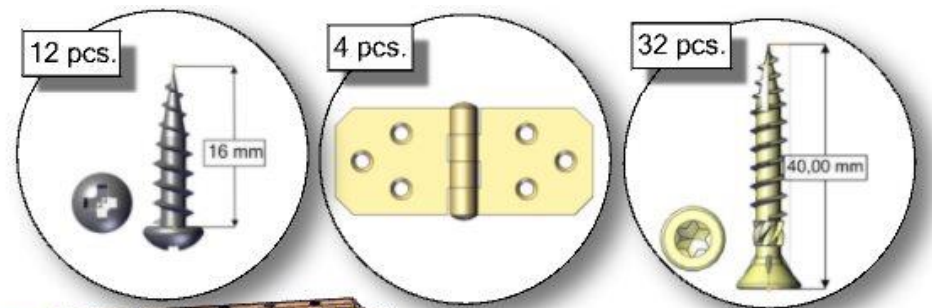

Total wooden parts: 106

# Assembly of the first section

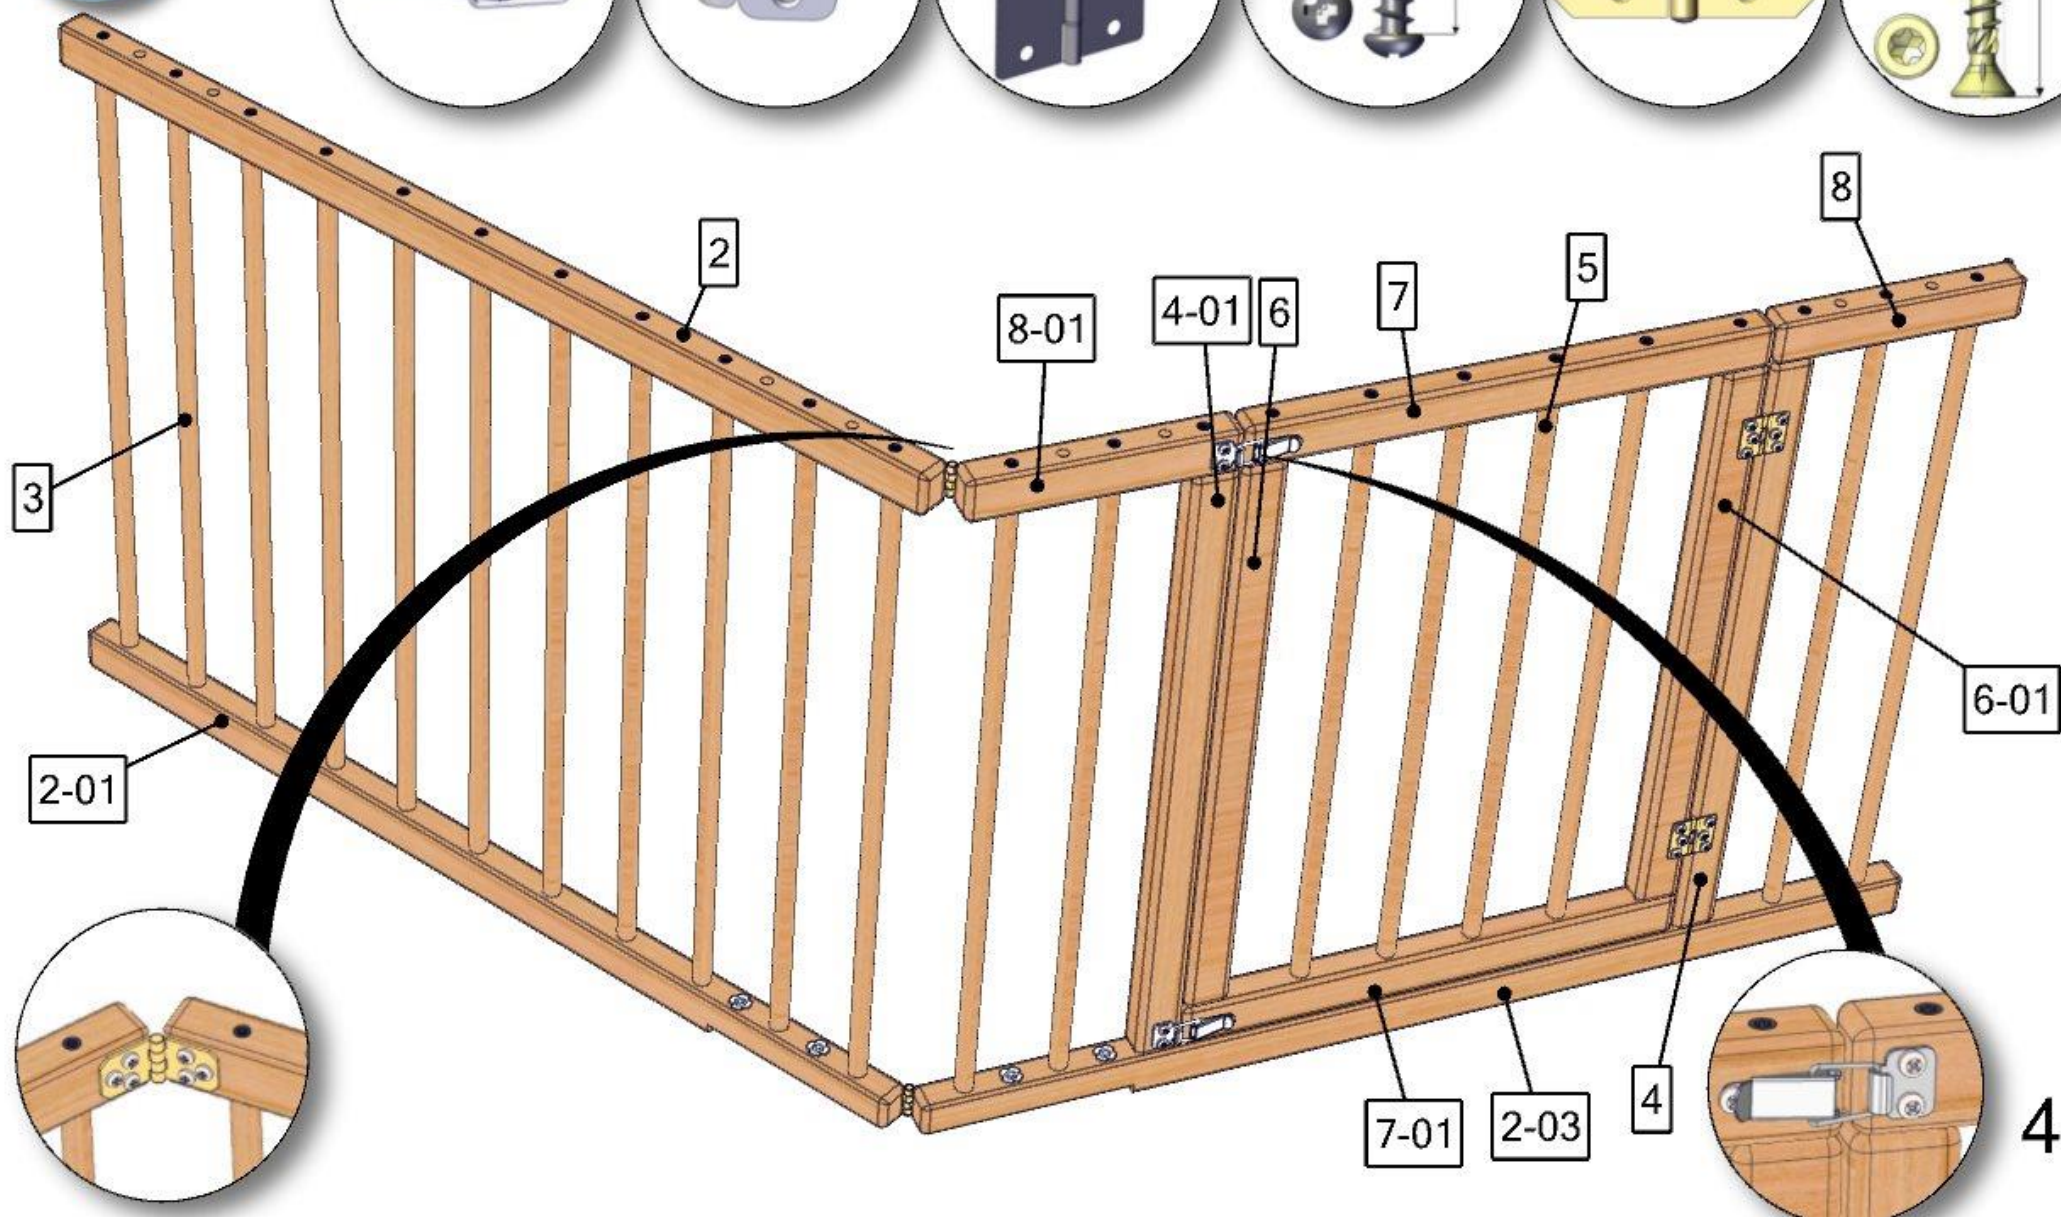

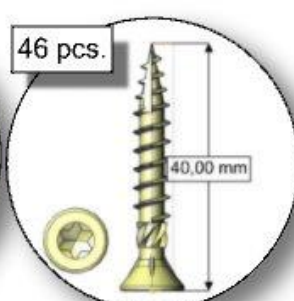

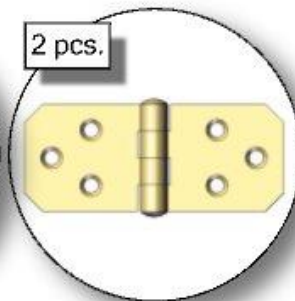

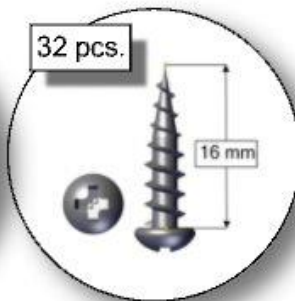

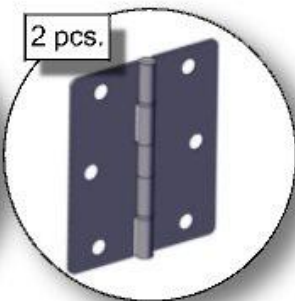

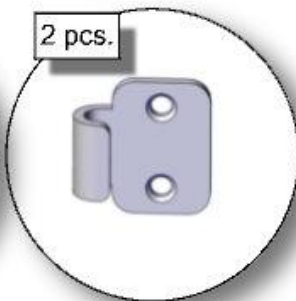

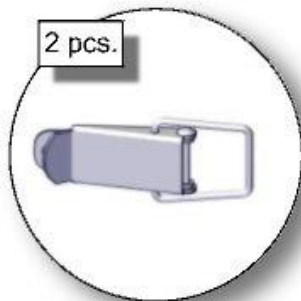

Start with the longest parts 1 and 1-01.  
Make two such sections.

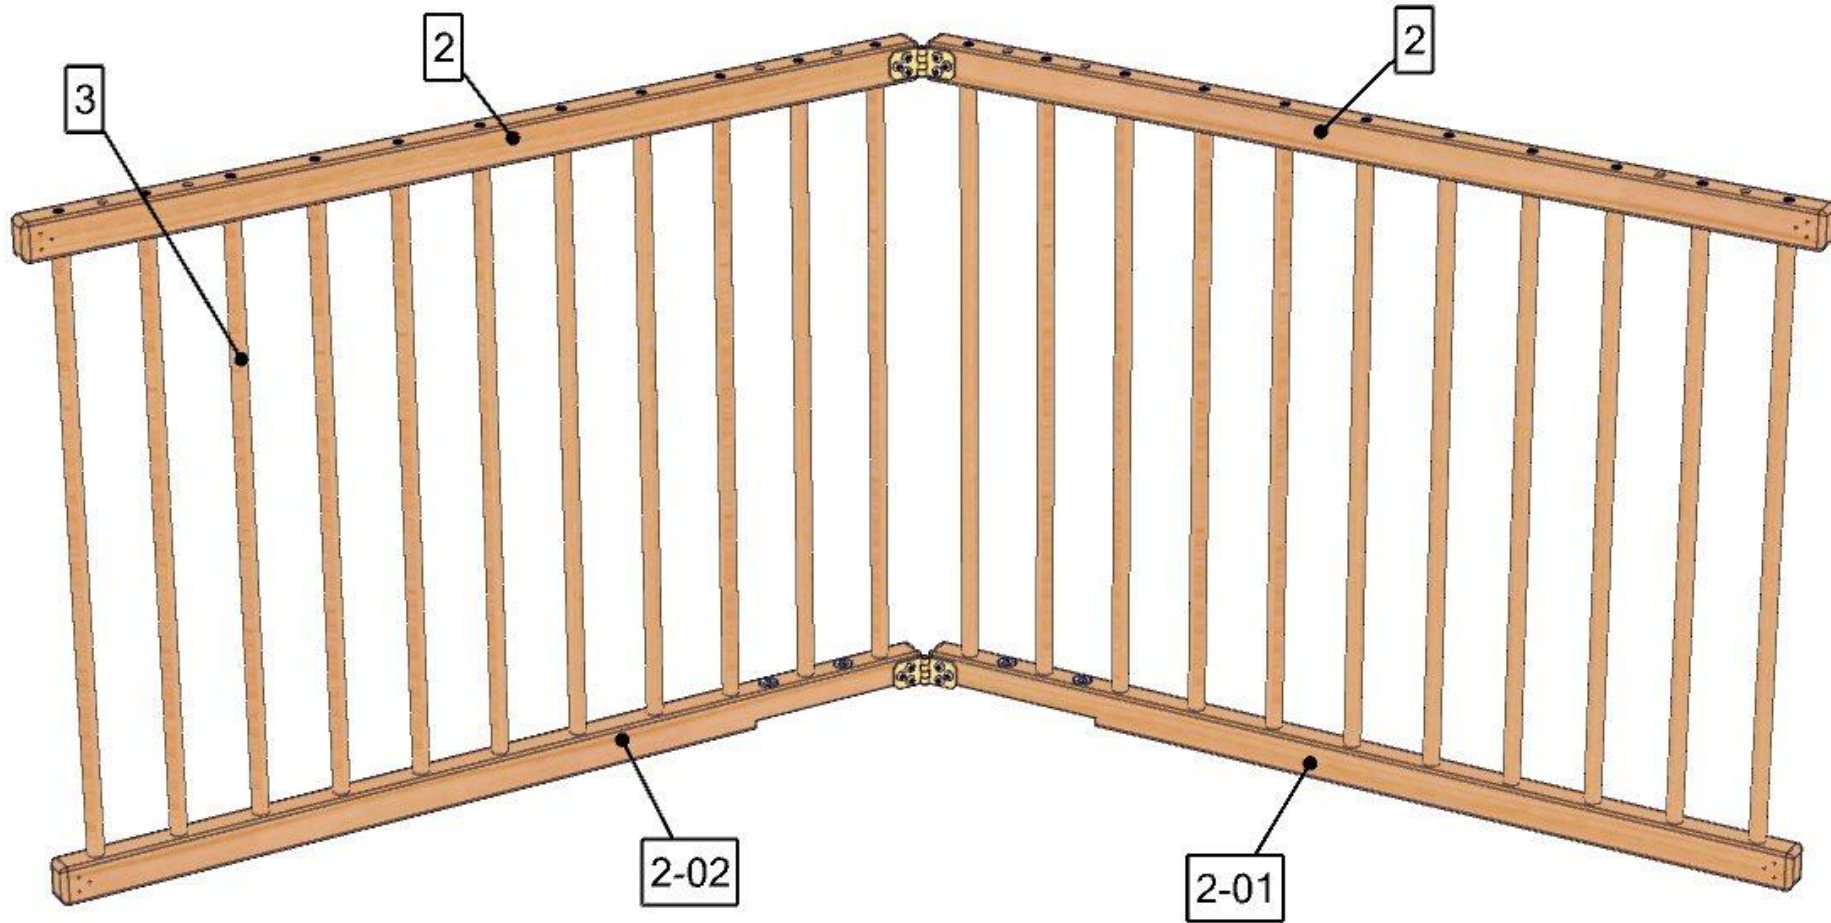

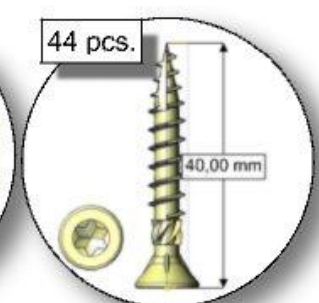

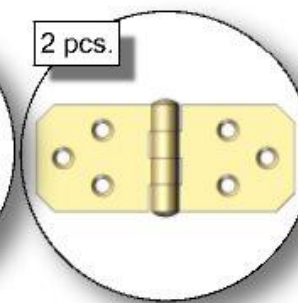

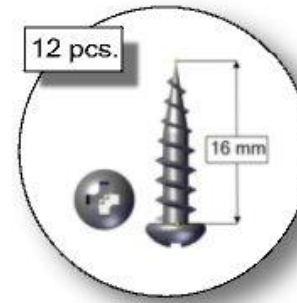

Do not fasten the hinges immediately completely, do it when everything is assembled.

For ease of assembly, assemble all 3 pieces with 1-01, then attach piece 1 by starting assembly at a slight angle

# Facade assembly

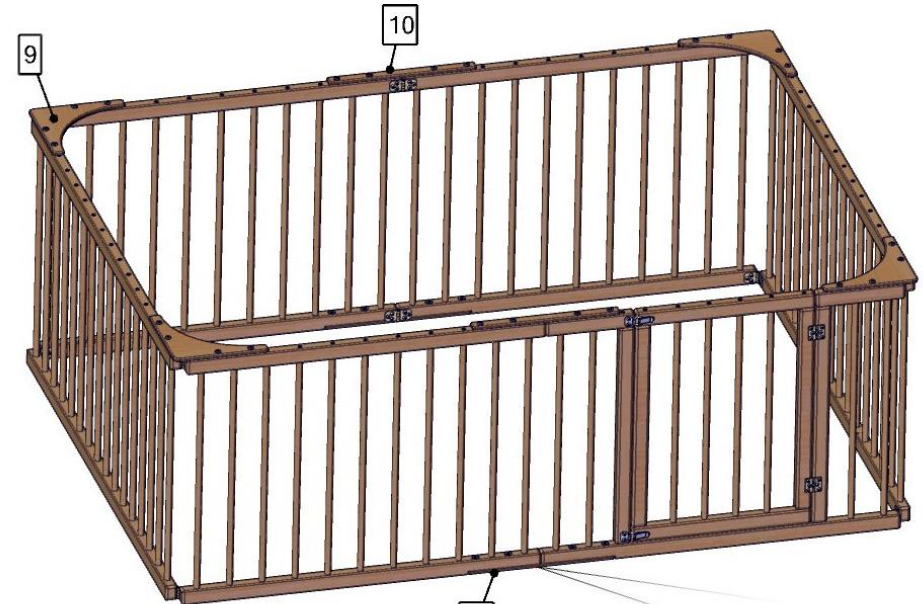

# Rear wall assembly

# Final assembly and shaping

Using parts 9, 10 and 11 assemble as you like.

10 40mm long screw use from below
