CRAFT CHOCOLATE

FROM 3-BAR GIFT SETS, CANDY BAR LIBRARY GIFT BOXES, AND SAMPLER GIFT BOXES, WE'VE GOT A LITTLE CHOCOLATEY SOMETHING FOR EVERY GIFTING OCCASION.

- Gluten, dairy, and soy free products
- Organic ingredients
- No preservatives, artificial colors or flavors
- Handcrafted and packaged in artfully designed packaging

In a historic town square in the quaint town of Woodstock, Illinois, we – Mary, Michael, & Sara – opened our craft chocolate and dessert bar, Ethereal Confections, in 2011. Since day one, we have continued to take the same care and attentiveness with each and every handcrafted bean-to-bar sweet, importing whole cacao beans from farmers producing single origin beans from Dominican Republic, Ecuador, Ghana, Haiti, Philippines and Uganda. The cacao beans are then roasted, winnowed and ground into chocolate that gets transformed into exquisite confections and inventive flavor combinations.
