

## HOW TO FIND YOUR RING SIZE

- Print this page at 100%. Do not scale to fit. To make sure you printed at 100%, place a credit or ID card in the box below. If it's an exact fit, you're good to go.
- Cut the tool, then create a small slit on the dotted line. Wrap it tightly around your finger where you wear your ring and make sure the tool feels snug and doesn't slide up or down.

## HOW TO USE THE CIRCLE CHART

- Find a ring you currently own and love.
- To measure, place the ring on top of each circle until you find a perfect match.
