# WELCOME TO PRINT WORKS **FAST PROMOTIONAL**

---

Print Works has been in the decorated apparel business for a decade. In 2020 we plan to venture even further into the promotional product industry.

## **So, what exactly is a promotional product?**

It is useful items imprinted with an advertiser's name, logo, message or offer. These items are a great way to build brand awareness for your business!

Unfortunately, promotional items are usually extremely cheap in price and quality, have very long turn around times, and require high minimums for purchase.

**Print Works is here to help solve these problems!**

**“IT’S NOT ABOUT MAKING IDEAS,  
IT’S ABOUT MAKING IDEAS HAPPEN.”**

## **Our new Fast Promotional Line now offers:**

- ✓ HIGH-QUALITY Products
- ✓ FAST Turn-Around Times
- ✓ LOW Minimums
