

PPMT GR

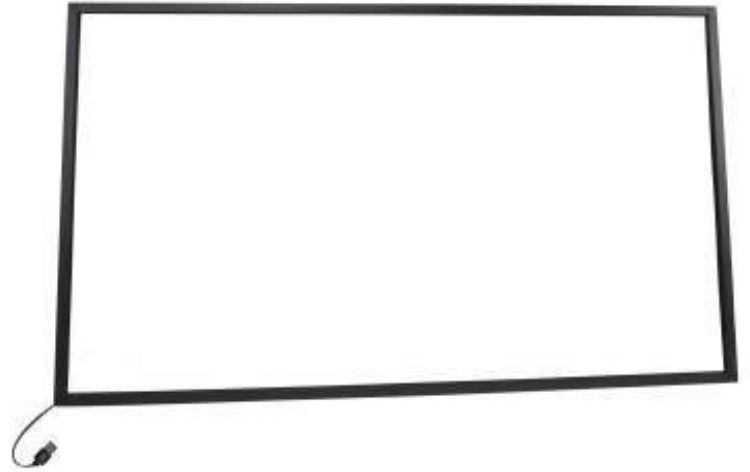

Touch Screen Overlay

- Plug and play on Windows O/S
- Works with most displays including **LG, Samsung, HP, and Dell**
- Simple to attach to displays
- Can be bundled with monitor

The GR touch screen overlay is designed for speed, allowing swift and smooth movements on any application. The infrared (IR) sensors easily detect fingers, styluses, gloved hands, or other objects. The GR's thin bezel and durability make it a good fit for commercial applications.
