## Charging your case

To charge your case, insert the provided USB-C cable into a power adapter or computer and plug in to the Micro USB port on the back of the case. A completed charge time from empty battery is 2.5-3 hours.

## Charging your earbuds

To charge your earbuds, simply place them into their corresponding slots within the case. The case holds up to 4 charges.

## LED indicators

### Charging case

### Earbuds

## Active noise cancelling function

Touch once and hold down the multi-function touch pad to activate ANC mode, repeat the action to turn it off.

## Struggling to pair?

1. Press the touch pad on both earbuds at the same time until you hear 'Power off.'
2. On the left earbud only, long press the touch pad until the light turns red, then off. Repeat this step on the right earbud.
3. Place both earbuds back into the charging case.
4. Remove the earbuds from the charging case - they should now pair successfully.

## Precautions

1. Please do not put the earbuds under heavy pressure, or expose them to heat or wet conditions.

2. Keep away from WiFi routers or others high frequency transmitting equipment to prevent interruption of signals receiving.

3. Please use the earbuds within 10 metres of your device.

4. Keep the device away from heat sources, direct sunlight, humidity and exposure to water. Do not operate the device if it has been exposed to water, moisture or any other liquids to prevent against electric shock explosion and/or injury to yourself and damage to the device. Do not use the device if it has been dropped or damaged in any way. Do not puncture or harm the exterior surface of the product in any way.
