## INDICATORS

	Indicator	Status
		Red Charging
AUX/BT	Flashing Blue	Pairing Mode
AUX/BT	Blue	Connected

## HOW TO CHARGE YOUR SPEAKER

1. Plug the USB-C connector into the **Animals Speaker**.
2. Plug the USB-A connector to a USB compatible wall charger (ideally with a 1A current output).
3. When the **Animals Speaker** is fully charged, disconnect the cable.

**Note: A full charge takes approximately 2-3 hours required. The charge will last up to 4 hours when connected wirelessly.**

## PLAYING AUDIO FROM A BLUETOOTH<sup>®</sup> DEVICE

1. Switch the **Animals Speaker** on by pressing & holding the power button for 3 seconds. The speaker is discoverable and ready for pairing. The LED indicator flashes blue.
2. On your Bluetooth<sup>®</sup> device, turn on Bluetooth<sup>®</sup> and scan for devices in its Bluetooth<sup>®</sup> menu.
3. When "Juice Animals Speaker" appears on the device list of your Bluetooth<sup>®</sup> device, select it and wait for them to pair.
4. Once paired, you can play your music by pressing the power button on the Juice<sup>®</sup>Animals Speaker.
5. A short press on the power button will also increase the volume of your music!

## CAMERA SHUTTER

When taking photos using your Bluetooth<sup>®</sup> device you can use the **Animals Speaker** to capture the image. Just press the power button once to take the photo.

**Note: On some Android devices you may not be able to take a photo as described above. If you encounter a problem, open 'settings' then go to 'shooting methods', then 'Press Volume Key To: > Take or Record Video'. If you have an iOS device and you encounter an issue, just refresh the Bluetooth<sup>®</sup> connection.**
