

How to Use

- 1 Plug the mains adaptor provided into a wall socket and connect the cable provided to the adaptor.
- 2 Then plug the micro USB connector into the port on your **Duo Juice**® wireless charger. Ensure the power supply is switched on.
- 3 Then simply place your wireless charge compatible devices onto the **Duo Juice**® and charge. You can charge 2 devices at once!
- 4 Make sure your device is placed directly over a +. If the device is not placed correctly on the charger it may not charge. Remove the device off the charger once fully charged.
