Fully collapsed size

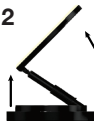

How To Use

1

Pull up and open the light ring on the side of the micro socket

2

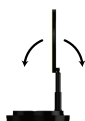

Open the light ring following the directional arrows

3

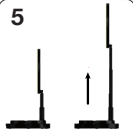

Ensure the tube is at a 90° angle and fasten by turning the locking tube clockwise

4

Adjust the ring light up to 180°

5

Once secure, pull the tube up & down to set desired height

6

Plug the power cable into a power source and insert into the Micro USB socket
