

## How to Use

- 1 Plug the mains adaptor provided into a wall socket and connect the cable provided to the adaptor.
- 2 Then plug the micro USB connector into the port on your JuiceStand® wireless charger. Ensure the power supply is switched on
- 3 Then simply place your wireless charge compatible device onto the JuiceStand® and charge.
- 4 Make sure your device is placed directly over the +. If the device is not placed correctly on the charger it may not charge. Remove the device from the charger once fully charged.
