

How to Use

- 1 You will need a USB compatible mains adaptor to use this product (a 1.5m cable is provided) . Plug the mains adaptor into a wall socket and connect the cable to the adaptor. We recommend a 2 Amp output adaptor.
- 2 Plug the micro USB connector into the port on your **Juice® Disc** wireless charger. Ensure the power supply is switched on.
- 3 Then simply place your wireless charge compatible device onto the **Juice® Disc** and charge.
- 4 Make sure your device is placed centrally on the charger. If the device is not placed correctly on the charger it may not charge. Remove the device off the charger once fully charged.
