

## How to Use

- 1 Plug the mains adaptor provided into a wall socket and connect the USB-C to USB-C cable provided to the adaptor.
- 2 Then plug the USB-C connector into the port on your **Triple Juice**® wireless charging Stand. Ensure the power supply is switched on.
- 3 Then simply place your wireless charge compatible devices onto the **Triple Juice**® and charge. You can charge 3 devices at once!
- 4 Make sure your device is placed centrally in the designated areas. If the device is not placed correctly on the charger it may not charge. Remove the device from the charger once fully charged.
