

Merco Tape® M188 Series

14 Day Clean Removal Blue Painters' Masking Tape

U.S. Made!

Merco Tape® M188 Series Blue Painters' Masking Tape is packaged in a premium, *bi-lingual* wrap.

Merco Tape® M188 Series Blue Painters' Masking Tape is a premium grade, medium adhesion blue painter's tape for interior and exterior masking of multiple surfaces. It is ideally suited for painted walls, glass, vinyl, metal, and wood. Use it when easy, no-residue removal is a must.

Merco Tape® M188 Series Blue Painters' Masking Tape offers a fine structured crepe paper backing with a rubber-based adhesive. UV resistant. **Merco Tape® M188** features clean removal from surfaces without damage for up to 14 days.

Merco Tape® M188 Series Blue Painters' Masking Tape is formulated specifically to stand up to comparison with Painters' Tapes from Shurtape, Intertape and yes, even 3M. **Merco Tape® M188** *is US made in an ISO 9001 certified manufacturing plant.*

	Adhesive	Tensile	Adh. to Steel	Thickness	Elongation	Temp.
Merco Tape® M188	Synthetic rubber	24lbs/in	26 oz/in	5.1 mil	8%	50F-150F
Shurtape® CP27	Synthetic rubber	22lbs/in	32 oz/in	5.1 mil	10%	50F-150F
Intertape PT14	Synthetic rubber	23lbs/in	26 oz/in	5.5 mil	11%	
3M 2090	Acrylic	27lbs/in	23 oz/in	5.4 mil	7%	

We are so confident our **Merco Tape® M188 Series Blue Painters' Masking Tape** is similar in specifications and performance to Shurtape PC27, Intertape PT14 and even 3M 2090 that we guarantee it!

Quality and Performance Guaranteed
