

MERCO TAPE – TECHNICAL DATA SHEET

Mercos M500 series Industrial Duct Tapes

Mercos M500 Series Industrial Duct Tape is an extremely high quality, co-extruded duct tape made right here in America. It offers an aggressive, natural rubber adhesive yet offers a consistent, low force unwind off the roll.

Mercos M500 Series Industrial Duct Tape provides all-weather use with excellent holding power to both poly sheeting and steel. It is hand tearable in both cross and machine directions yet has a waterproof polyethylene with a cloth scrim for demanding industrial, HVAC, contractor, and environmental use. Applicable Standards: US Green Building Council-LEED® Contributor Product, UL 723, FSI 0/SDI 0.

Mercos M500 Series Industrial Duct Tape is available in **Silver** and **Black**, **48mm** and **72mm**, each in an extremely attractive, printed donut wrap. Labeling is **bi-lingual**, has point of purchase information, UPC, bar code and USA graphic.
