

SCOTTISH DESIGN RELAY

You are invited to be a part of V&A Dundee's first ever Scottish Design Relay! As a team you will work together with an inspirational designer, using design to address a challenge relevant to your local area.

From Fair Isle knitwear to nuclear reactors, inspiration will come from your local design heritage. Your team will define the challenge. You will be encouraged to be creative, prototype and pitch your ideas. Your work will then be showcased in V&A Dundee when we open in 2018.

apply now

Aged 16-26?

The Scottish Design Relay is coming to Shetland and will take place at Mareel on these dates:

4 October (evening) – Introductory session with pizza
Weekends of 4/5 November, 18/19 November & 25/26 November

To take part all you need is to be able to attend all workshops and have a desire to learn new things! But there are only limited places available.

To apply, give us your name, age and **tell us something about your favourite object or design*** by email, video or other digital means to: designrelay@shetlandarts.org Or, if you prefer, you can doodle it on the back of an envelope, make a mood-board or sketch and hand it in to Mareel Reception marked 'Design Relay'. Quick! You only have till Sunday 10 September to apply...

*Design can be anything from a toothbrush or a font to a simple problem solving idea!
