Right-handed

Left-handed

Remove template and cut strip.

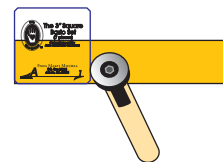

2. Cut 4 A-4 triangles and 8 A-6 triangles.

3. Make 4 Flying Geese units with the A-5 and A-4 triangles. Press toward the small triangles.

2. If you don't own Template Set C, cut 24A with template A-1 on a strip as wide as A-5 (2") or with a ruler. Then place one edge of template A-1 on the edge of the strip, aligning the bottom and adjacent side with the edge of the strip. Cut to length and nip the corners, rotating as needed.

3. Cut two 1¼" x 2" rectangles. Join one rectangle to each side of an A-5 square. Press toward the square. Join with the rectangle to make the center square. Press toward the new rectangle.
4. Complete the block by joining units into horizontal rows. Press toward the squares. Join rows. Press seams open.
