2. Turn pieces over and use template S-98 to modify the opposite end of the trapezoids. Carefully align the diagonal corner of the fabric with the cut line for S-98b on the template and trim the other end of the piece as shown.

Cutting 69A and 69B (From Marti Michell S-99 and S-100)

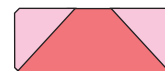

1. Use S-98 to measure strip width, a scant $1\frac{3}{4}$ ". Cut a strip approximately 15" long from both fabrics. With right sides together, cut 4 pairs of S-100 triangles and 4 pairs of S-99 squares.
2. From another strip of "light" fabric, cut 8 additional S-100 triangles and 1 more S-99 square.
