

Ruth Our substitute for Block 84, Posy

FMM 82

Posy is seen in *The Farmer's Wife 1930s Sampler Quilt* book by Laurie Aaron Hird

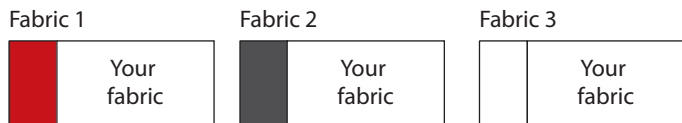

From MARTI MICHELL Perfect Patchwork Templates Conversion Chart

For personal use in conjunction with the book and these From MARTI MICHELL Tools:
Perfect Patchwork Templates Set S, Product #8166.

Pieces for this block are cut with templates S99, S98a, S100a, and S-100.

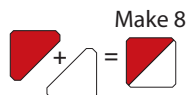

Make a fabric key:

Fussy-cut the center square with template S99.

Make 4 Corner Units

- Cut 1 white strip and 1 red strip as wide as S99 and 11" long. With right sides together, cut 8 pairs of S100 triangles. Do not separate, but sew together on the long edge to make 8 half-square triangles. Press toward the dark fabric.

- Cut 1 dark gray strip as wide as S99 and 15" long. Fold in half and cut 8 S99 squares.
- Join 8 half-square triangle units from step 1 with 8 squares from step 2. Join all in this orientation unless you have used a directional fabric.

Press toward square S99, regardless of color.

- Join pairs of units from step 3. Press open.

Cut and Make 4 Center Side Units

- Use this cutting trick to eliminate 1 seam in each unit. Cut 4 S-98a red pieces. Turn template 98 over as shown, aligning the line for the cut size with the fabric piece. Then trim off one corner as shown.

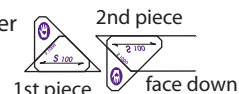

- Cut strips 1 1/8" wide for piece 100a. Cut 1 white strip 8" long. Cut 8 100a triangles with the hypotenuse on straight grain.

Make 1st cut with template face down

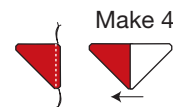

Rotate and flip template over

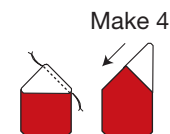

Cut red strip 1 1/8" by 4" long. Cut 4 100a triangles.

- Join 4 pairs of red and white pieces on one leg. Position with white on top and lead under the needle with the square corner, as shown. Press toward dark fabric.

- Add remaining white S-100a triangles to the side of the altered red 98a pieces. Press toward the red fabric.

- Join the units made in steps 3 and 4. Make 4. Press seams in either direction or open.

Complete the Block

Cut 1 contrasting S99 square for the block center; ours was fussy cut. Join into 3 horizontal rows. Join the rows to complete the block. Press the seams open.
